

Roberto Freitas (Bs.As. 1977.)

Roberto Freitas is an artist born in 1977 in Buenos Aires. He currently resides and works in Brussels. Throughout his artistic journey, he has created works that, since 2002, freely flirt with cinema, dance, music, sculpture, performance, drawing, and painting, with a particular emphasis on installations. Holding a bachelor's degree in fine arts and a master's degree in art theory from UDESC, he has participated in residencies, musical presentations, performances, as well as solo and group exhibitions both in Brazil and internationally.
